Rain Date October 14th

Cash Prizes!

Draw cards for takeoff and landings - Best hand wins!

Highest score also wins!

Barbeque For All Club Members!

Come Join The Fun Everyone can fly

Events Description

1. Speed Run - Take off and fly four laps around the entire runway length and then land. Total time is recorded from wheels up to wheels down. Draw a card for takeoff and another for completing the laps and landing on the runway. Time is subtracted from 100 to get the score.

2. Touch and gos - Take off and do as many touch and gos as you can in 2 minutes. You have to pass both ends of the runway between touches. The touch down has to be within a marked area on the runway to score. Number of touches times 10 is your score. Draw a card for takeoff and another for landing on the runway. Each pass "behind the hill" between touch and go passes is worth 100 points. Inverted is 200 points!

3. The limbo - Take off and fly for one minute. Each pass under the limbo poll is 10 points, inverted is 20 points. Draw a card on takeoff. Draw another on landing.
